### Feddes Pick of the 2022-Born Heifers

For the first time in four years, Feddes Red Angus will be selling the pick of all the 2022-born heifer calves. Last year, our bred heifer topped the NILE sale and our two heifer calves were the top two selling lots at the Bet On Red sale bringing \$30,000 and \$25,000.

This is your chance to come in and pick your favorite heifer out of the whole group.

Cow families include Blockana, Lakina, Sleek, Tina, Osce and more. A few of the sires are Brunswick, Red Rock, Reputation, Resource 137E, Treadstone, Stockmarket, Rambler 5162 and others.

This young 510 daughter has a MPPA of 106 on 3 calves. She combines several maternal giants including: Make Mimi, Montana X44, Cutting Edge and Right Kind U199. She's moderate framed with near-perfect feet and udder. She's due to WEBR Headliner 59G, a full brother to WEBR Reform. Donor cow alert.
